H. VARIANCES NEW PUBLIC HEARINGS

**H-1 C15-2018-0011 Blayne and Stacey Mozisek
1706 Norris Drive**

The applicant has requested variance(s) from Section 25-2-492 (D) (*Site Development Regulations*) to decrease the minimum rear yard setback from 10 feet (required) to 1.7 feet (requested, previous 1-story storage structure) in order to maintain a recently constructed 237 square foot 2-story (more than 15 feet tall) storage and playhouse structure in a “SF-3”, Family Residence zoning district.

(Note: The Land Development Code permits accessory structures up to 15’ in height to be 5 feet from the rear property line in a single family zoning district, however the structure in consideration exceeds that height limitation.)

**H-2 C15-2018-0012 William Mass and Nancy Hellman, David Webber
1605 S 3rd Street**

The applicant has requested variance(s) from Section 25-2-492 (D) (*Site Development Regulations*) to decrease the minimum front yard setback from 25 feet (required) to 15 feet (requested, 16 feet existing) in order to construct a new single family home in a “SF-3-NP”, Family Residence – Neighborhood Plan zoning district. (Bouldin)

**H-3 C15-2018-0013 Hector Avila for A New Hope Investments, LLC
4201 Clawson Road**

The applicant has requested variance(s) from Section 25-2-492 (D) (*Site Development Regulations*) to:

A. decrease the minimum lot area from 5,750 square feet (required) to 4,361 square feet (requested. existing); and to

in order to erect a new single family residence in a “SF-3”, Family Residence zoning district.

(Note: This property does meet exception from platting/land status requirements, however it does not meet sub-standard lot requirements since it was deed divided into its current configuration after 1946, therefore the lot size and width must meet current zoning requirements before permits for a new home can be issued on it.)

H-4 C15-2018-0014 Rodney Bennett for Denise Crain

3401 Blue Jay Lane

The applicant has requested variance(s) to Section 25-2-492 (D) (*Site Development Regulations*) to decrease the minimum front yard setback from 40 feet (required) to 25 feet (requested) in order to erect a new single family home in a “LA”, Lake Austin Residence zoning district.

I. INTERPRETATIONS PREVIOUS POSTPONEMENTS

**I-1 C15-2015-0147 Robert Kleeman
8901 West Highway 71**

The appellant has filed an appeal challenging a Land Use Determination and related development approvals made in connection with the approval of an outdoor amphitheater located at LifeAustin Church, 8901 West State Highway 71, including decisions to classify the use as “religious assembly” and to subsequently approve Site Plan No. SP-2011-0185C, an associated restrictive covenant, and a building permit. The appellant disagrees that, among other things, the Land Use Determination and related development approvals incorrectly treat various outdoor activities held at educational and religious assembly facilities as part of the principal use rather than as temporary activities subject to City Code Section 25-2-921(C) in an “RR-NP”, Rural Residential – Neighborhood Plan zoning district. (West Oak Hill)

**I-2 C15-2015-0168 Robert Kleeman
8901 West Highway 71**

The appellant has requested that the Board of Adjustment interpret whether staff erred in making an administrative decision to approve site plan correction number 12 to the current site plan of this property (SP-2011-185C (R1)), thereby authorizing construction of a disc golf course and outdoor dog park at this church facility in a “RR-NP”, Rural Residential – Neighborhood Plan zoning district. (West Oak Hill)
